About Us

AYNİRA GIDA SANAYİ VE TİCARET LİMİTED ŞİRKETİ is a corporate company which is located in DENİZLİ, TURKEY.

It has 12,500m² open area and 2,400m² closed area: 2100m² warehouse and cleaning plant and 300m² administrative section. Its history dates back to 2008 under the company name of Özen Tarım LTD ŞTİ. Due to international trademark preferences, we established **AYNİRA GIDA SAN. VE TİC. LTD. ŞTİ** in 2017 and since then, we have been operating especially in export sector under this name.

As **Aynıra Gıda** family, we have the principle of providing the best, high quality products to our customers by using modern technology. Our cleaning plant includes latest technology machines such as gravity, stone separator, color sorter, metal detector etc. Our company has grown under the awareness of commitment, responsibility and honesty as well as quick and fast shipment service and customer-care service.

Years of Experience

WHY TO PREFER US?

As **AYNİRA GIDA** family, the aim of our company is to focus on reliability, quality, punctuality, hygiene and 100% customer satisfaction in our service

Healthy Food

Our main goal is to produce completely healthy oilseeds and legumes to develop healthy nutrition and inner strength.

Natural Products

We give great importance to the naturalness of products which are important for human health.

THE BEST FOR THE BEST
